

NOTICE OF ZONING ORDINANCE UPDATE FOOD SERVICE SURVEY

Please be advised that as a part of the Comprehensive Zoning Ordinance Update being conducted by the City of Lompoc, the City has conducted several public workshops to determine how best to address the question of Food Service in the Industrial Zones of the City.

In an effort to understand the needs of the business community located in all commercial/industrial zoning districts, a survey has been prepared. The intent of the survey is to reach out to members of the community and provide an opportunity to express an opinion on the question of Food Service in the Industrial Zone. Survey results will be reported in the aggregate so no individual response will be identifiable.

The survey will be available to complete on the City of Lompoc website:

CityofLompoc.com

Beginning Tuesday, April 18, 2017

Through Friday April 28, 2017

The Planning Commission will conduct a workshop on Wednesday May 31, 2017 beginning at 6:30 p.m. in the City Council Chambers, City Hall, 100 Civic Center Plaza to receive the results of the survey, take public testimony, and provide direction to staff and the consultant for preparation of the Administrative Draft Zoning Ordinance document which is anticipated to be available for public review September 2017.

Copies will also be available to complete at the City Library, 501 East North Avenue, Lompoc and the Planning Division (805.875.8213) counter in City Hall, 100 Civic Center Drive, Lompoc.
