Next, locate your route number in the table to the left to determine which day of the month your street is swept. For example, if you are located in route #1, the streets in this area will be swept on the first Monday of each month.

The sweeper operates from 6:00 a.m. to 2:30 p.m., Monday through Friday. For best results, residents and businesses are encouraged to park their vehicles off the street before sweeping commences on their scheduled day.
