INSTRUCTIONS FOR BUSINESS TAX APPLICATION

The City of Lompoc does not issue a “business license”, rather a “Business Tax Certificate” to all persons conducting business in the City of Lompoc, whether or not the business has a fixed place of business in the City. The Business Tax Certificate (BTC) is valid until June 30th of each year following the issuance and must be renewed thereafter before July 31st to avoid penalties. It is the responsibility of the business to ensure that the tax is paid each year whether or not they received a renewal notice.

For Businesses located in commercial locations in the City of Lompoc: The Lompoc Police Department maintains a list of contact persons who are designated by you the business owner/manager to respond in case of an emergency. You are requested to provide the Police Department with updated information concerning any changes to this list by notifying the Police Dispatcher at 736-2341, 24 hours per day. Please list the persons you designate on the reverse side of this form.

Alarm Permits: If your business will have a silent or audible alarm, you must contact the Police Department in person during regular business hours to obtain an ALARM PERMIT. Operation of an alarm without a permit is a violation of the Lompoc Municipal Code.
