NOTICE OF INTENT TO ADOPT A NEGATIVE DECLARATION**

Project Name or Number: Charlotte's Web Children's Library ER 07-0010/DR 07-21

Project Description: The project consists of the construction of a 4,650 square foot public Children's Library. Charlotte's Web will serve the literacy and learning needs of children ages 0-14 years and their parents and caregivers. The proposed LEED Library will be used as an educational demonstration of sustainable practices at work. The project site is 211 South "I" Street (APN: 91-153-03, 04, and 05) and is approximately 125' wide and 140' deep. The site area is 17,500 square feet, or .40 acre. The Children's Library will be one-story high (28-feet). The Library will have areas for computer work, Spanish language books, children's picture books, youth books, group study and tutoring, family space and parenting, storytelling and class visits, restrooms, as well as a homework center. The library will also house a staff workroom and a break room.

Project Location: See Vicinity Map on Reverse. 211 South "I" Street.
