

City of Lompoc Economic & Community Development

Business Visitation Program

We want to hear from you!

The City of Lompoc, through its Economic and Community Development Department, has implemented a business visitation program in order to provide local businesses with an opportunity to chat with City staff about their business. The Program's four primary goals are as follows:

1. Demonstrate business friendly support to local businesses;
2. Establish strong and lasting communication practices between City staff, residents, and local businesses;
3. Provide opportunities for businesses to promote and highlight their business, uncover opportunities to assist the business community and find ways to improve Lompoc's façade and attract more business;
4. Learn about concerns, needs, and issues that businesses in Lompoc face, and engage in exploration and discussion about short and long term solutions.

One business will be visited each month, scheduled by City staff, and/or as requested by the businesses, as part of this program. Online requests to schedule a visit can be found at cityoflompop.com/econdev. During these in- person visits, businesses can expect the following:

- ✦ Introductions from the local businesses to City Staff including Economic Development Director/ Assistant City Manager, and/or City Manager;
- ✦ City will ask a series of questions to local businesses, and provide sufficient time to hear feedback;
- ✦ City can provide information on available resources for businesses, both local and regional;
- ✦ Local businesses can give specific requests, and discuss concerns, issues and/or highlight the accomplishment of their businesses;
- ✦ Gather input on ways to improve Lompoc's business atmosphere, and well as open discussion for spurring economic growth in the City.

This program has been created to support Lompoc's growing business community. Strengthening the conversation between the City and the business community can only be achieved if businesses are willing to participate. The program is available to any and all businesses within the limits of Lompoc, California.

To participate in the Business Visitation Program, please complete an online submittal form at www.cityoflompop.com/econdev. If you have any questions, please contact Development Programs Specialist, Jasmine McGinty, at 805-875-8226 or j_mcginty@ci.lompoc.ca.us. Thank you for your contribution to our local economy.
