

NEED A *Passport?*

The Lompoc Parks, Recreation & Urban Forestry Department is a local **Passport Application Acceptance Agent!**

Make your plans a few months in advance to allow enough time to process your passport application.

Standard passport processing is taking up to 6 weeks currently, so don't delay. If you are traveling sooner, special arrangements can be made.

Walk-ins are accepted Monday through Friday from 9:00 am - 5:00 pm, or special arrangements can be made by appointment.

Please call the Anderson Recreation Center at 875-8100 for more information on what you need to bring with you or visit our website at www.cityoflompoc.com.

EXCURSIONS

All excursions are one day in length, unless otherwise stated. Transportation is provided in an air-conditioned 15-passenger van or a 20 passenger bus. Pre-registration is required by the stated deadline dates. Excursions fees include admission, supervision, and transportation only. Meals and souvenirs are the responsibility of the individual participant. The Parks and Recreation Department reserves the right to cancel an excursion due to insufficient registration, weather conditions, or unexpected circumstances. If you decide to cancel after the deadline date has passed, a refund cannot be issued unless another customer fills the space. Some excursions can be physically challenging; if you require special accommodations it is imperative that you inform us upon registration. **All excursions depart from and return to the Anderson Recreation Center.** Departure and arrival times are subject to change. Please arrive 15 minutes early for check-in. Waivers are needed for each excursion, so if you did not complete one at registration, you will need to do so prior to boarding the vehicle

GRIFFITH OBSERVATORY- LOS ANGELES

Griffith Observatory's unique architecture and setting, compelling programmatic offerings, and cinematic exposure have made it one of the most famous and visited landmarks in southern California. Tens of millions have come to walk the inside of the building, view the live planetarium shows, or simply gaze out towards the coast and the heavens. This cultural and scientific icon owes its existence to the dream of one man, Griffith Jenkins Griffith, and to the dedicated scientists and public servants who worked to fulfill his vision of making astronomy and observation accessible to all.

Tree Planting Program

SPONSORED BY
 THE CITY OF LOMPOC
 URBAN FORESTRY DIVISION
 & UTILITY DEPARTMENT

The City of Lompoc Urban Forestry Division has an active Electric Utility Tree Replacement Program.

If a City of Lompoc resident has a tree in their back yard or on private property and the tree is in conflict with overhead electric utility lines, the City crew will remove the tree, grind the stump and replace the tree with a more suitable tree that will not be compromised by the overhead utility lines.

Please call 875-8034 and request service today!
