DIRECTOR'S MESSAGE

Director's Message

A New Year is upon us and I would like to welcome you to the City of Lompoc Parks, Recreation, and Urban Forestry Department's 2010 Winter/Spring Activity Guide. Your Department staff has been working around the clock to offer a wide spectrum of exciting recreational and leisure programs and activities for the New Year! Amongst these pages, you will find information on classes, excursions, special events, sports leagues, senior activities, parks, aquatics programs, facilities and more! You will find many of your favorite programs as well as some very exciting new programs designed just for you!

Upon the closure of the Lompoc Valley Community Center, senior programs have been relocated to the Anderson Recreation Center at 125 West Walnut Avenue, and things are going great! The new Richard L. DeWees Senior Community Center project is moving forward and we should break ground very soon. The new facility is expected to be open in 2011 and the way time has been flying, that date will be here before we know it!

As we turn the pages of our calendars to 2010, please remember that your Parks, Recreation & Urban Forestry Department is a customer driven agency that is responsive to the needs of our citizens. We take great pride in providing our community with a better quality of life.

Please take a look and see why we are creating community through people, parks and programs. The BENEFITS of Parks and Recreation are endless!

Come Out & Play!
