1ST ANNUAL BOAT FLOAT

Design and Build a human powered made of corrugated cardboard boat, capable of racing a 100-yard "M" shape course, in the competitive pool, at the Lompoc Aquatic Center. We're all in this to enjoy a great event, be with friends, and try some outrageous inventions.

Please remember, the idea is to explore the inherent characteristics of corrugated cardboard while being creative in meeting the challenge, "Stay Afloat."

CLASS I boats must have 2 passengers. No more than 5 crewmembers.

CLASS II boats must have a minimum of 3 and a maximum of 4 passengers.

CLASS III boats, the "Instant Boats" are to be designed and built on site the day of the event with only the materials provided in your purchased boat kit. Construction will begin at 8am and conclude at 11:30am.

Boats must be able to fit through our door opening (6'6" x 6'6") and no longer than 12' in length.
