

Notice Date: 07/10/18

Dear Customer:

SUBJECT: SCHEDULED ELECTRICAL OUTAGE FOR 19 CUSTOMERS

The City of Lompoc Electric Division will be performing maintenance to the electrical system in your area. Therefore electric service to your area will be interrupted. An outage will be necessary to perform this work safely.

ON July 12th beginning at approximately 8:00 AM you will experience an outage lasting approximately 6 hours.

If this scheduled outage is delayed due to rain/inclement weather the outage will occur on the following work day.

All outage times are approximate. The actual time may be less.

We will also need access to your back yard during this time. Please unlock gates and put pets away.

Thank you for your patience during this outage. The City of Lompoc Electric Division is continuously upgrading the electrical system and striving to maintain a record of dependable electrical service.

If you have any questions or concerns please feel free to call me at the number listed below.

Respectfully,

Craig Gildea – Electric Division Supervisor
805-875-8012

Affected Areas: 1100 thru 1132 Gardenia St. and 1101 thru 1137 Jasmine St.
