Lifeguards

The number of lifeguards on duty at each pool will be determined by three factors:

- The number of patrons in an area.
- The level of aquatic competence of the individuals in the area (How adapt are they to water, what is the percentage of non-swimmers in the group, as well as the swimmers age, size, etc.)
- Is the group participating in an organized activity? (A swim team or aqua aerobics class will take less supervision than an open pool party)

The minimum number of lifeguards required for the Therapy and Competition Pools is two (2).

The minimum number of lifeguards required for the Activity Pool is based on requirements set by the Santa Barbara County Health Department and contingent upon the components rented by the client.

Additional lifeguards may be necessary for your rental at a cost of \$20/hour/guard.
